

# ORMISTON SIX VILLAGES ACADEMY

An OAT Academy

11<sup>th</sup> September 2017

Dear Parents and Carers,

On the reverse of this letter you will find the homework timetable for your child's year group for this academic year.

Homework is a vital part of your child's secondary education. It develops independent learning skills, consolidates classroom learning and prepares students for the rigours of revision for their GCSE exams.

Homework will be set on connect and students are responsible for checking connect, outside of the school day, and ensuring that they complete their homework.

If a student requires a computer to complete their homework, the library is open for them each lunchtime and after school. If they are struggling with work, they should come along to the after school homework club for support.

Timings given for homework tasks are approximate. However, should your child have spent the appropriate amount of time, fully focused, on a task and it remains incomplete, then please write a note to the teacher stating how long your child spent on the task and verifying that they were working to the best of their ability for this period of time. This will help us to ensure that homework tasks set are appropriate for each individual student.

If you have queries about a task set, please contact the teacher who set the task in the first instance. Email addresses for all teachers can be found on the school website.

Yours faithfully

Mrs N Sheldrake

Associate Assistant Principal

**Principal: Ms Umbar Sharif, NPQH, MA**
