Uniform

Further to last week's information on our current drive to ensure all students meet our uniform expectations, I would like to thank you for your support in ensuring that students are smartly dressed and are therefore great ambassadors of Six Villages.

For the small minority who are currently exercising a slightly different interpretation of our dress code, we will continue to monitor daily and take appropriate action.

A reminder of the main non-compliances are as follows:

Hoodies may not be worn and will be confiscated.

- **Make up** is not permitted in years 7 and 8. For students in Key Stage 4, make up must be natural and subtle. Students wearing excessive make up will be asked to remove it.
- **Coats**
We encourage students to wear coats during the winter to travel to and from school. However, the coat does not replace the blazer and the blazer must still be worn at all times during the academy day.

Year 5 Primary Enrichment

We are delighted to be running our primary enrichment weeks once again this academic year with each week focusing on a different curriculum area. We will be welcoming Year 5 pupils from our local primary schools w/c 21st January. The pupils will have a Humanities lesson followed by an enrichment session and we look forward to meeting them all.

Yours faithfully
